Lethal Rhythms™

and the

DJ PARTY TRUCK

Welcome to Your Mobile Brand Experience!

Your brand. Your music. Your party. **Untethered!**

Start your DJ Truck experience

Modern Luxury Diamond Award Winner

A personal welcome

Let's plan your DJ Party Truck event.

Hello, and thank you for your interest in the Lethal Rhythms™ DJ Party Truck! More than 1,000 clients have trusted us with their weddings, mitzvahs and corporate celebrations through the years. We continue to strive to offer the best through our award-winning services, including Professional Mix DJs, dance floors, event enhancements and our DJ Party Truck! I am honored that you are here, and I hope we can add you to our list of satisfied clients.

Picture your logos and event messaging on the truck's multiple screens, with music setting the mood. Two onboard generators power the core truck setup without relying on outside electricity, so your event can be Untethered!

I'd love to hear about your event and put together a personalized quote based on your specific needs.

Request a quote

LED-lit 360 platform in a gala setting

LED-lit platform. Ask about the setup and options for your event.

Build your event quote

Plan your truck event

Tell us what you are planning. We will discuss the truck and optional equipment that fit your event.

Your custom quote

The truck features on pages 3-5 describe the available equipment and display areas. Your quote identifies the equipment and services selected for your event, service hours and price. Optional upgrades on pages 6-8 are selected separately.

Details to coordinate

Event and site

- Date, venue and event hours
- Truck access, placement and load-in
- Power needs for optional equipment
- Weather and venue requirements

Equipment and services

- DJ / operator and staffing arrangements
- Delivery, setup and breakdown scope
- Stage access and event-specific requirements
- Display content, effects and selected upgrades

Please confirm these arrangements in your quote. A pictured setup does not establish site suitability, guest capacity or included services.
